**Biking**

UCI is a designated gold level Bicycle-Friendly University. Cycling on campus is a quick and convenient way to get to class. When riding around UCI, be a responsible rider – proper cycling etiquette will keep everyone safe. Please adhere to the following:

- Riding is prohibited on Ring Mall 8:30 am to 5:00 pm, Monday through Friday.
- Cyclists are required to follow the rules of the road and abide by all signage.
- Be visible, predictable, and prepared.
- Lights are required when riding at night.
- Use arm signals to communicate your intended direction.
- Make a full stop at signals and stop signs.
- Yield to those with the right of way including pedestrians.
- Ensure your bike is working properly and well maintained.
- Wear a helmet and reduce the risk of a head injury by 85%.
- Secure your bike with two locks at designated bike racks only.

**Registering and Securing Your Bike**

Registering your bike is required at UCI. Bikes can be registered by using Bicycle Ownership & Transfer System (BOTS):

1. Access BOTS at [www.parking.uci.edu/BOTS](http://www.parking.uci.edu/BOTS)
2. Fill in your registration information.
3. Visit the main Transportation office with your bike to complete the registration process.

Having two strong locks helps deter bike theft and also secures your bike in the best way possible.

- Register your bike: bike.uci.edu
- Use two locks: Always lock your wheels and frame to the rack.

**Skateboarding**

Don’t have a bike but love to skate? Skateboards and skate devices are permitted only in designated areas on campus. Skateboarding is not allowed on the campus core.
